

ANNENBERG CENTER FOR HEALTH SCIENCES
AT EISENHOWER

Imparting knowledge. Improving patient care.

Eisenhower Medical Center

Regularly Scheduled Series (RSS) certified for CE/CME credit by

Annenberg Center for Health Sciences at Eisenhower

**** Except where otherwise indicated, all RSS programs are open only to Eisenhower Medical Center (EMC) staff, medical staff and associated clinical staff.**

Grand Rounds, meets every Thursday, noon – 1:00 pm, in the Annenberg Center dining room (**open to interested non-EMC clinicians**). See calendar for upcoming topics, speakers and additional details [link here].

- **Target audience**: All physicians, including house staff, and allied health professionals.
- **CE/CME certifications**: *AMA PRA Category 1 CreditTM* (physicians), AAFP Prescribed Credit (family physicians), CA BRN (California nurses), California Board of Behavioral Sciences (LCSW's).
- **Learning Objectives**: This conference provides a forum for physicians to enhance their practice by participating in presentations that emphasize the practical implications for in and outpatient diagnosis and management, the cost effectiveness of therapeutic approaches (where appropriate), and referral pathways for quality care.
- **Conference lead**: Mohammed Mojarad, MD
- **Contact information**: Alma Perez, [Annenberg Center for Health Sciences](#)

Tumor Conference, meets the first and second Monday of every month, noon – 1:00 pm, in the Annenberg classroom at the Annenberg Center (**open to interested non EMC clinicians**). See calendar for upcoming dates and additional details [link here].

- **Target audience**: All physicians, including house staff, and allied health professionals.
- **CE/CME certifications**: *AMA PRA Category 1 CreditTM* (physicians), AAFP Prescribed Credit (family physicians), CA BRN (California nurses), California Board of Behavioral Sciences (LCSW's).
- **Learning Objectives**: This conference is designed to help physicians assess the impact of oncology cases in individual patients and the valley community, analyzes critical issues in oncology treatment and research, and applies the strategies discussed with their patients.
- **Conference lead**: Varun Gupta, MD
- **Contact information**: cancerregistry@emc.org

Morbidity and Mortality Conference, meets the third Tuesday of every month, noon – 1:00 pm, at the Annenberg Center, Annenberg classroom (**open only to EMC medical staff**).

- Target audience: All physicians, including house staff.
- CE/CME certifications: *AMA PRA Category 1 CreditTM* (physicians).
- Learning Objectives: This conference is designed to help physicians analyze the relationship of error to poor medical outcomes at an individual, team, and organizational level, to explore the potential cases of errors, and to develop and implement strategies to avoid preventable errors in the future.
- Conference lead: David Stoltzman, MD
- Contact information: Alma Perez, [Annenberg Center for Health Sciences](#)

Journal Club, meets the second Tuesday of every month, 6:15 – 8:00 pm, in the Medical Staff Conference Room (check in advance, does not meet every month).

- Target audience: All physicians, including house staff.
- CE/CME certifications: *AMA PRA Category 1 CreditTM* (physicians).
- Learning Objectives: This conference is designed to help physicians keep current with and improve their understanding of recent clinical and biomedical literature, improve their ability to discuss, debate, and analyze recent literature, and participate collegially in scholarly discourse.
- Conference lead: Aurora Benson, DO
- Contact information: Alma Perez, [Annenberg Center for Health Sciences](#)

Oncology Journal Club, meets the first Monday of every month, noon – 1:00 pm, at the Lucy Curci Cancer Center (check in advance, does not meet every month).

- Target audience: Oncologists, including house staff.
- CE/CME certifications: *AMA PRA Category 1 CreditTM* (physicians).
- Learning Objectives: This conference is designed to help oncologists keep current with and improve their understanding of recent clinical and biomedical literature, and to translate these findings into improved care for their cancer patients.
- Conference lead: Tammy Plante
- Contact information: cancerregistry@emc.org

Brain Tumor Conference, meets the third Friday of every month, noon – 1:00 pm, in the Medical Staff Conference Room.

- Target audience: Oncologists and other specialists, including house staff, involved in the care of brain cancer patients.
- CE/CME certifications: *AMA PRA Category 1 CreditTM* (physicians), CA BRN (California nurses), California Board of Behavioral Sciences (LCSW's).
- Learning Objectives: This conference is designed to help physicians assess the impact of oncologic care in individual brain cancer patients, analyze critical issues in oncology treatment and research, and apply the strategies discussed with their patients.
- Conference lead: Farhad Limonadi, MD
- Contact information: Marites Castro, MBA, mcastro@emc.org

Breast Cancer Tumor Conference, meets the first and third Tuesday of every month, noon – 1:00 pm, at the Lucy Curci Cancer Center.

- Target audience: Oncologists and other specialists, including house staff, involved in the care of breast cancer patients.
- CE/CME certifications: *AMA PRA Category 1 CreditTM* (physicians), CA BRN (California nurses), California Board of Behavioral Sciences (LCSW's).
- Learning Objectives: This conference is designed to help physicians assess the impact of oncologic care in individual breast cancer patients, analyze critical issues in oncology treatment and research, and apply the strategies discussed with their patients.
- Conference lead: Tammy Plante
- Contact information: cancerregistry@emc.org

Gastrointestinal (GI) Cancers Tumor Conference, meets the third Wednesday of every month, 7:00 – 8:00 am, at the Lucy Curci Cancer Center.

- Target audience: Oncologists and other specialists, including house staff, involved in the care of GI cancer patients.
- CE/CME certifications: *AMA PRA Category 1 CreditTM* (physicians), CA BRN (California nurses), California Board of Behavioral Sciences (LCSW's).
- Learning Objectives: This conference is designed to help physicians assess the impact of oncologic care in individual GI cancer patients, analyze critical issues in oncology treatment and research, and apply the strategies discussed with their patients.
- Conference lead: Tammy Plante
- Contact information: cancerregistry@emc.org

Lung Cancer Tumor Conference, meets the second Wednesday of every month, 5:00 – 6:00 pm, at the Lucy Curci Cancer Center.

- Target audience: Oncologists and other specialists, including house staff, involved in the care of lung cancer patients.
- CE/CME certifications: *AMA PRA Category 1 CreditTM* (physicians), CA BRN (California nurses), California Board of Behavioral Sciences (LCSW's).
- Learning Objectives: This conference is designed to help physicians assess the impact of oncologic care in individual lung cancer patients, analyze critical issues in oncology treatment and research, and apply the strategies discussed with their patients.
- Conference lead: Tammy Plante
- Contact information: cancerregistry@emc.org

Urology – Oncology Tumor Conference, meets the second Friday of every month, noon – 1:00 pm, at the Lucy Curci Cancer Center.

- Target audience: Oncologists and other specialties, including house staff, involved in the care of urologic cancer patients.
- CE/CME certifications: *AMA PRA Category 1 CreditTM* (physicians), CA BRN (California nurses), California Board of Behavioral Sciences (LCSW's).

- Learning Objectives: This conference is designed to help physicians assess the impact of oncologic care in individual urologic cancer patients, analyze critical issues in oncology treatment and research, and apply the strategies discussed with their patients.
- Conference lead: Tammy Plante
- Contact information: cancerregistry@emc.org

Argyros Primary Care Case Conference, meets every Tuesday, noon – 1:00 pm, at the Eisenhower George and Julia Argyros Health Center (La Quinta).

- Target audience: Primary care physicians practicing at the Argyros Center, including house staff.
- CE/CME certifications: *AMA PRA Category 1 CreditTM* (physicians).
- Learning Objectives: This conference is designed to provide a forum for physicians to discuss cases and decisions from the Argyros Center patient base. Cases emphasize practical implications for patient diagnosis and management, cost effectiveness of therapeutic approaches (if appropriate), and referral pathways for optimal patient care.
- Conference lead: Amanda Curnock, MD
- Contact information: Helen Searing, HSearing@emc.org

Neuroscience Grand Rounds, meets the second Friday of every month, noon – 1:00 pm, in the Medical Staff Conference Room (check in advance, does not meet every month).

- Target audience: Neurosurgeons, neurologists and other specialists, including house staff, involved in the care of patients with neurologic disorders.
- CE/CME certifications: *AMA PRA Category 1 CreditTM* (physicians), AANP (nurse practitioners), CA BRN (California nurses), California Board of Behavioral Sciences (LCSW's).
- Learning Objectives: This conference provides a forum for physicians to enhance their management of patients with neurologic disorders by participating in presentations that emphasize the practical implications for in and outpatient diagnosis and supervision, the cost effectiveness of therapeutic approaches (where appropriate), and referral pathways for quality care.
- Conference lead: Farhad M. Limonadi, MD
- Contact information: Marites Castro, MBA, mcastro@emc.org
